#### Please note:

**It is the responsibility of the Athlete to attend their scheduled Classification slot. All Athletes entering these competitions with a New (N) or Review (R) Sport Class Status (except for those with a Sport Class Status of FRD2027 or later) will be required to undergo Classification and must therefore be available for the entire Classification period.**

Medical Diagnostic Information must be submitted to the UCI for those athletes no later than four (4) weeks prior to competition that Athletes is scheduled to compete at, otherwise the Athlete will not be permitted to undergo Classification and consequently will not be eligible to compete in the Competition.

Please contact [classification@uci.ch](mailto:classification@uci.ch) should you have any questions.
